Denman College is the WI's centre for learning, offering a wealth of opportunities including something for every interest – from curries, cakes and crochet to papercutting, photography and Pilates – and the courses are designed to cater for the complete beginner to the more accomplished practitioner.

Set in the picturesque village of Marcham, near Oxford, the Georgian mansion and 17 acres of grounds provide a relaxing environment for learning.

Chilton Foliat WI is proud to offer a £100 bursary to any full time member wishing to attend.

Chilton Foliat WI meets on the second Thursday of each month at 7.15pm at the Village Hall. Our Annual Meeting is every February and any full member may be nominated to join the committee. At time of printing the committee members are:
